My design fee is a project-based flat fee. An average full-service project begins at \$4,200/room. Clients typically have furnishing budgets beginning at \$25,000. A 50% deposit is required to confirm your spot on the design calendar and will be applied to the first bill.

SHIPPING & HANDLING

S&H is the cost for packaging, shipping, and handling your items. This is charged by the vendor and will be included with your invoice.

RECEIVER FEES

Some vendors require that items are shipped to a receiving warehouse. Receiving warehouses receive, inspect, store, and provide white glove delivery and assembly. This will be billed at the close of your project.
